Sir,

Subject - Construction of shops in Town Hall Compound

I have the honour to state that with a view to provide the dishoused shop-owners of the Evening Bazaar on the Yelwal Road which was sold away and to provide accommodation to such of the shop owners who will lose their shops consequent on the formation of the straight road from Elgin Fountain to District offices, it was considered desirable to have a row of shops constructed in a suitable place The matter having come up for consideration before the Works Committee through the Town Hall Committee and the Council, it was resolved that a set of 24 shops be constructed within the Town Hall compound at an estimated cost of Rs 27,500/- as per plan enclosed It has been further resolved that Government be requested to grant, free of cost, to the Municipality, 477 square yards of land required for the purpose on the north-west corner of the Town Hall compound as shown in the sketch

In enclosing copies of the resolution Nos 1214 and 1236 of the Council passed at their adjourned meeting held on the 10th July, 1946, in this behalf, I request you kindly to obtain sanction of Government to the free of grant of 477 sq yds of land required for the construction of the shops to the Municipality and also approval to the estimate for Rs 27,500/- sanctioned by the Council for the purpose The estimate and plan are also enclosed

It is requested that the matter may kindly be treated as urgent in view of the proposed demolition of Lansdown Building portion acquired for the circle.

I have the honour to be,
Sir,

In modification of the previous proposals and estimates for Rs 27 500/- submitted for sanction in connection with the above, I have the honour to state that as decided during the inspection of the spot on 1-3-47 by the Dewan-in-Charge, the Consulting Architect and the Chief Engineer for Roads and Buildings, a fresh estimate for Rs 40,000/- was got up, together with the necessary plans and estimates and placed before the Works Committee for their consideration with the note of the Municipal Engineer as to the details of the estimate On the recommendation of the Works Committee dated 27-3-1947 the Council have sanctioned the estimate for Rs 40,000/- for constructing 24 shops in the Town Hall compound

In enclosing the copy of the Council resolution as also the connected plans and estimates and report, I request you kindly to obtain sanction of Government to the same and communicate for further action being taken Necessary provision has been made in the draft Budget Estimates for the next year, for carrying out this work

Since the Public Works Department are pressing for the dismantling of the Lansdown Bazaar portion coming within the purview of the scheme and the shop-keepers pray that they may not be forced to vacate until the new shops are ready in the Town Hall compound, it is requested that immediate sanction

I have the honour to be,

Sir,

Your most obedient servant,
